

REMARKS

The Appeal Brief submitted on November 3, 2003 incorrectly identified the real parties of interest as Mitsubishi Denki Kabushiki Kaisha and Ryoden Semiconductor System Engineering Corporation. Ryoden Semiconductor System Engineering Corporation remains a joint owner of the present application. However, an omnibus Assignment was submitted to the U.S. Patent and Trademark Office on September 10, 2003, which conveyed Mitsubishi Denki Kabushiki Kaisha's rights, title and interest in the present application to Renesas Technology Corporation. Thus, the real parties in interest for the present application are Renesas Technology Corporation and Ryoden Semiconductor System Engineering Corporation. A copy of the original Assignment and the omnibus Assignment are submitted concurrently herewith.

To the extent necessary, a petition for an extension of time under 37 CFR § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
